**PAY!**

**IMPORTANT**: If paying in cash, use exact change – drivers cannot make change.

Insert cash and/or coin into the fare box located at the front of the bus when you board the bus (pay when exiting southbound express buses). When using a Go-To Card or preloaded fare card, simply touch the card reader when you board the bus to pay transit fares. The durable, plastic card tracks cash value and 31-day passes. Simply touch the card reader with the Go-To card and the appropriate fare is deducted automatically.

Ride! Be prepared: arrive at your stop five minutes early and have your payment ready when boarding.

Identify yourself: Wave at the bus when you arrive to make it clear to the driver that you would like to board. Most of MVTa’s buses will stop at any safe location along the route. Some routes have designated stops, which will be clearly marked with a stop sign.

When you are ready to exit: Request your stop by pressing the signal tape or pulling the bell line near the window one block ahead (on designated stop routes, the driver will only stop at bus stop signs).
