

Proposed Bronze Line westbound platform, shared with H Line. Shelter locations to be determined.

Maryland Ave E

Clarence St

Proposed Bronze Line eastbound platform, shared with H Line. Shelter locations to be determined.

The Metropolitan Council and Ramsey County are leading the METRO Bronze Line bus rapid transit (BRT) project, which includes a reconstruction of this portion of Maryland Avenue. H Line will share platforms with the Bronze Line at this station location.

The Bronze Line project will change how the street looks. These changes are not reflected in this station concept. Metro Transit will coordinate with agency partners on the design and delivery of shared platforms.
