[Click here to take our survey by October 7, 2026.](#) Select each station you want to comment on when responding to the first question of the survey.

Station concept

The eastbound platform is farside of the intersection. The westbound platform is nearside of the intersection at the same location as the existing Route 3 bus stop.

Station spacing

Distance from previous station: 0.5 miles from Maryland & Dale

Distance to next station: 0.5 miles to Maryland & Rice

Transit connections

There are no other transit routes near this location

Destinations

This section of the H Line corridor has a few businesses nearby but is largely residential in nature

Coordinated projects

The City of Saint Paul, in partnership with Ramsey County, is advancing the Maryland Avenue Improvements Project (E Como Blvd to Rice St). Changes to Maryland Avenue are planned for 2028-2029. The project may change how the street looks. These changes are not reflected in the H Line station concept. Metro Transit will coordinate with agency partners to include H Line platforms in the street design. For more details visit stpaul.gov/marylandavenue.
